Attention Stuart Houston, Mayor of Spruce Grove

Attention Robert Cotterill, CAO City of Spruce Grove

This letter is to inform you both that I am officially requesting an unpaid leave of absence for the official campaign period commencing the day that the Provincial election is called in the spring of 2019. As you know I am running as a candidate for the United Conservative Party in the next provincial general election, and I feel removing any potential conflicts of interest between my role as a City Councilor and as a Candidate would be in the best interest of the City of Spruce Grove during this time. Until the campaign period is called, I will continue to fulfill my duties as a city councilor and represent the residents of Spruce Grove in the same capacity that I have done for the last three terms on council.

Sincerely

Councilor Searle Turton
